Less: Deferred Tax	-	-10.86
Profit/(Loss) after Tax	73.36	131.08
Balance Carried Forward to Balance Sheet	73.36	131.08

2. DIVIDEND:

The interest of shareholders remains uppermost in the mind of the Board of Directors. However, there is an equally important need to augment the Company's internal sources thereby increasing the Company's financial strength and capability to increase the financial business.

Accordingly, with a view to create the long -term economic value, your Directors have not recommended any dividend for the year ended March 31, 2023.

3. TRANSFER TO RESERVES:

Your Directors have not recommended transferring any amount of reserves during the financial year ended 31st March, 2023.

4. SHARE CAPITAL:

At present, the Company has only one class of shares – equity shares of par value Rs. 10/- each. The authorized share capital of the Company is (Rs. Eleven Crore Fifty Lakh only) Rs. 11,50,00,000/- divided into (One Crore Fifteen Lakh) 1,15,00,000 equity shares of Rs. 10 each. The paid-up share capital of the Company is (Rs. Ten Crore Fourteen Lakh Eight Thousand Nine Hundred only) Rs. 10,14,80,900/- divided into (One Crore One Lakh Forty-Eight Thousand Ninety) 1,01,48,090 equity shares of Rs. 10/- each.

During the year under review, the Company has not issued shares with differential voting rights nor granted stock options nor sweat equity.

5. SUMMARY OF OPERATIONS:

During the year, the total revenue of our Company reduced from 394.50 Lakhs to 276.17 Lakhs. The Company is focusing more on reducing its cost of operations and optimum utilization of its resources. The Company will continue to strive to reach new heights and will toil towards attaining profits.

6. FUTURE OUTLOOK:

The global economy in FY 2022-23 witnessed divergent trends among major economies. The Indian economy and business environment remained largely subdued during 2022-23. The global economic recovery is gaining momentum coupled with some divergence.

India's economy is poised to return to its high-growth path, thanks to lower fiscal and current account deficits, falling inflation, low crude oil price, moderate commodity prices, and structural reforms to boost investments. Monetary policy is also likely to be supportive with the Reserve Bank of India (RBI) having moved to flexible inflation targeting. The manufacturing sector is likely to benefit from lower interest rates. However, productivity and capital efficiency improvement are likely to drive near-term growth. Demand from export as well as domestic markets has not increased substantially. Volatility of rupee may hamper growth of economy.

7. CHANGES IN NATURE OF BUSINESS, IF ANY:

The Nature or Activity of Business has not changed of the Company during the year.

8. MATERIAL CHANGES AND COMMITMENT IF ANY AFFECTING THE FINANCIAL POSITION OF THE COMPANY (FROM THE END OF FINANCIAL YEAR TO THE DATE OF DIRECTORS REPORT):

There are no material changes and commitments affecting the financial position of the Company between the end of the financial year to which balance sheet relates and the date of Directors report.

9. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS:

No such Orders have been passed by the Regulators/Court or Tribunals which can impact the going concern status and Company's operation in future.

10. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO:

The Company has no manufacturing activities during the year under review. The provisions of Section 134(m) of the Companies Act, 2013 do not apply to our Company. Still some of the measures taken up by the Company are mentioned below:

(A) Conservation of Energy

Energy Conservation measure taken: The Company has taken several steps to conserve energy. Energy conservation continues to be on high priority for existing as well as new projects. Various steps taken to bring about savings are: -

The Secretarial Auditor Report for the financial year ended March 31, 2023 is annexed herewith marked as **ANNEXURE-D** to this Report. The board gives the following explanations on the Observations of the Secretarial Audit Report:

Sr. No.	Observations	Board Comments
1.	As per Regulation 33(3)(g) of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015, the Company received an Intimation of non-compliance of SEBI (Regulations, 2015 LODR) for default in complying Regulation 33 for the quarter ended September 2022 with a total fine of Rs. 1,80,000/- (excluding applicable taxes). Therefore, the Company submitted a waiver request letter for waiver of penalty on 12th January, 2023 which was accepted by the Stock Exchange and the entire penalty was waived off.	The Company had filed/ submit the Unaudited financial results for the Quarter Ended on September, 2022 as per Regulation 33 of SEBI (LODR) Regulations, 2015 to the stock exchange within the prescribed time period on 12th November, 2022 along with the necessary reports and statements except Cash flow statement which was duly approved by the Board of Directors of the Company at their Meeting held on 12th November, 2022, however, inadvertently the same was not attached with the PDF filed submitted on 12th November, 2022. The Company thereafter submitted the complete set of documents again with the stock exchange and made its default good. The Stock exchange had imposed the

		fine of Rs. 1,80,000/- (excluding applicable taxes). In this respect, the Company submitted the waiver request letter dated 12th January, 2023 which was accepted and the entire penalty was waived off.
2.	As per Regulation 24A of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015, the company has made delay in submission of Annual secretarial compliance report for the financial year ended on 31st March, 2021 and accordingly the stock exchange imposed fine of Rs. 6,58,000/- (excluding applicable taxes) on the Company and freeze the demat accounts of the Company along with Promoter and Promoter Groups. The Company has paid the said fine through UTR No CMS3152232368423 on 11/11/2022.	The Company has been a law-abiding Company that always ensures to comply with all applicable laws and regulations within due date as prescribed and believes that Good Corporate Practice is being followed. Good Corporate Governance Practice have always been a top priority of the Management of the Company. Further the Board will take all precautions to avoid such non-compliances and delay in reporting.
3.	As per Regulation 3(5) of SEBI (Prohibition of Insider Trading) Regulations, 2015, the Company has not maintained the structured digital database containing the names of such person or entities as the case may be with whom information is shared.	The Board discussed the matter at length and noted that although there always was an intent to comply with the SDD regulations by the Company and it had in-fact partially complied with the same by adopting an indigenously developed system, but the said system was not sufficient enough to comply the regulations in full intent and spirit. Moreover, since, the Company was looking for an affordable alternative and all the software available in the market at that time were beyond the reach of the company, it could not get in place the requisite software on time. Gradually, upon new vendors entering the market to provide affordable SDD software, the company will select a vendor that met the company's financial parameters and will place the cost effective SDD software.
4.	As pr Regulation 29(2) the Company has made delay in furnishing prior intimation about the meeting of Board of Directors and accordingly the Company has paid the fine of Rs. 10,000/- through UTR No CMS3152232368423 on 11/11/2022.	The Company has been a law-abiding Company that always ensures to comply with all applicable laws and regulations within due date as prescribed and believes that Good Corporate Practice is being followed. Good Corporate Governance Practice have always been a top priority of the Management of the

		Company. Further the Board will take all precautions to avoid such non-compliances and delay in reporting.

MANAGEMENT DISCUSSION AND ANALYSIS

a) Industry Structure and Development:

The Company was incorporated on 3rd April, 1995 under the Companies Act, 1956 under the name and style as Arihant Classic Finance Limited vide Certificate of Incorporation No. 04-25312 of 1994-95 issued by the Registrar of Companies, Gujarat.

The Company obtained the Certificate of Commencement of Business vide certificate dated 5th April, 1995 issued by the Registrar of Companies, Gujarat and doing the business related to NBFC company and exploring the market for opportunities.

b) Opportunities and Threats:

The Company is involved in the following business:

1. To invest in Securities and trading.
2. To carry on and undertake the business of leasing and hire purchase of all kinds, finance, trading, distribution, agency, franchise, hire purchase in, , hiring or letting on hire, all kinds of plants.
3. To carry on the business of general Finance and to finance industrial enterprises in their projects on turnkey basis or otherwise and Asset Management Company or Trustee Company and to do the activity of portfolio management.
4. To carry on the business as finance company and to finance or assist in financing all kinds of activities whether industrial, commercial including housing and including commercial building or part thereof with or without interest and/or security In whatever form and method including short term, long term loan by participation in equity or preferential capital, issuing guarantees, to carry on and undertake the business of financing the purchase
5. To advance, or lend money with or without securities and properties to any company, person or association of persons, and to carry on the business of Bills discounting, Bills Purchasing, Loan Syndication Venture and seed Capital. However, the company shall not carry on the business of banking, as defined in the Banking Regulation Act. 1949

c) Segment Wise Performance:

The Company is involved in non-banking finance business and has doing the business as a NBFC.

d) Outlook

The overall outlook for industry remains positive as India treads on its growth trajectory leading to higher credit demand. The growth in credit is expected to be broad based across products and segments with key risks being elevated interest rates and inflation.

e) Risks and Concerns:

Risk of delayed receipt of instalments : In case of delayed receipts of instalment amounts of the hire purchase finance given, the funds of the Company get blocked resulting in high non-performing assets. To mitigate this risk, the Company is trying to put pressure on the delayed payers for payment of instalments and in inevitable cases legal action is also being initiated.

Risk of insolvency of the borrowers:

Where the borrower becomes insolvent, and is unable to clear the loan, the same becomes a bad debt and the total loan amount and the interest accrued thereon becomes a charge on the income generated by other good transactions.

To mitigate this risk, the company follows a very conservative policy of lending.

f) Internal Control Systems:

The Company has an adequate system of internal control and management with respect to disbursement of loans and follow-up action for collection of instalments.

g) Discussion on Financial Performance with respect to Operational Performance

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

For the Financial Year Ended 31.03.2023

[Pursuant to section 204(1) of the Companies Act, 2013 and rule no. 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014

To,
The Members,
Arihant Classic Finance Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by ARIHANT CLASSIC FINANCE LIMITED (herein after called “the Company) for the Financial Year ended on 31st March, 2023. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year commencing from 1st April, 2022 and ended on 31st March, 2023 complied with statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereafter:

INDEPENDENT AUDITOR'S REPORT

To the Members of ARIHANT CLASSIC FINANCE LIMITED

414, Nalanda Enclave, Opp. Sudama Resorts
Pritam Nagar, Ellisbridge, Ahmedabad, Gujarat-380006

Opinion

We have audited the standalone Ind AS financial statements of **ARIHANT CLASSIC FINANCE LIMITED ("the Company")**, for the quarter and year ended March 31, 2023, which comprise the balance sheet and the statement of Profit and Loss, including statement of changes in equity and statement of cash flows for the quarter & year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred as the "financial statements") being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its Profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone Ind AS financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the *Board's Report including Annexure to the Board's Report* but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information: we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Ind AS Financial Statements

These quarterly financial results as well as the year to date Consolidated Financial Results have been prepared on the basis of the audited financial statements. The quarterly financial results are derived figures between the audited figures in respect of the year ended March 31, 2023, and the published year-to-date figures up to December 31, 2022, being the date of the end of the fourth quarter of the current financial year, which were subject to limited review.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended 31 March, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure 1' a statement on the matters specified in paragraphs 3 and 4 of the order.
2. As required by section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. On the basis of written representations received from the directors as on March 31, 2023, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in 'Annexure 2' to this report.
 - g. In our opinion, no managerial remuneration for the year ended 31 March 2023 has been paid/provided by the company to its directors, therefore there is no requirement to check whether the payment of remuneration has been paid in accordance with the provisions of section 197 read with Schedule V to the Act;
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position in its standalone Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 2 to the Independent Auditor's Report

Annexure 2 referred to in paragraph 2(f) under the heading 'Report on the other legal and regulatory requirements' of our report of even date

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ARIHANT CLASSIC FINANCE LIMITED ("the Company") as at March 31, 2023, in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of internal financial controls over financial reporting with reference to these Ind AS Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

26.1.a Fair value hierarchy

The fair value of financial instruments as referred to in note above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements]. The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

26.1.b Financial assets and liabilities measured at fair value - recurring fair value measurements

Financial assets at fair value through profit or loss	As at	Level 1	Level 2	Level 3	Total
Current Investment in Mutual Funds	March 31, 2023	-	-	-	-
Current Investment in Mutual Funds	March 31, 2022	-	-	-	-

26.1.c Valuation technique used to determine fair value

The fair value of investments in mutual fund units is based on the net asset value (NAV) as stated by the issuers of these mutual fund units in the published statements as at the Balance

Note: There were no specific financial instruments which were fair valued using level 3 indicators hence no unobservable inputs.

Note: Management considers that the carrying amounts of financial assets and financial liabilities measured at amortised cost approximate their fair values.

26.2 Financial risk management

The Company, is exposed to various market risks, credit risk and liquidity risk. The laid down processes, periodic communication, control framework and management process consisting of planning, controlling and monitoring collectively form the risk management system used to define, record and minimise operating, financial and strategic risks. Below notes explain the sources of risk in which the company is exposed to and how it manages the risk.

26.2.A Market risk:

a. Price risk:

The Company is using aluminium and ferrous items for production of various products. Fluctuation in commodity prices in global market affects directly and indirectly the price of raw material and components used by the Company in manufacturing its various product segments. Further, Pricing pressure from its major Customer to give price cuts and the inability to pass on the increased cost of inputs to the customers may also affect the profitability of the company. The Price risk arises due to fluctuation in prices of these commodities.

The Company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices. The Company's commodity risk is managed centrally through well-established trading operations and control processes. Further, the Company is having arrangement with major customer for actualization of raw material price variations periodically.

b. Foreign currency risk:

Foreign currency risk arise from monetary receivables and obligations expressed in a currency other than functional currency of the Company. Primarily the Company is catering to customers in local currency.

The derivative instruments and unhedged foreign currency exposure is as follows:

(i) Derivatives outstanding as at the reporting date

Particulars / Purpose	March 31, 2023 (Rs.)	March 31, 2022 (Rs.)
Forward Contract (Buy)	-	-

(ii) Particulars of unhedged foreign exposure as at the reporting date

The Company does not have unhedged foreign currency at the end of reporting period.

c. Interest rate risk:

Interest rate is the risk that fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligation at floating interest rates.

The exposure of the Company's borrowing at variable rate and fixed rate at the end of reporting period are as follows:

Particulars	March 31, 2023 (Rs.)	March 31, 2022 (Rs.)
Variable rate borrowings		
Fixed rate borrowings	2,844.56	1,971.12
Total borrowings		

Profit / loss is sensitive to higher / lower interest expense from borrowings as a results of changes in interest rates. Holding all other variable constant, the following table demonstrates the sensitivity to a reasonably possible change in interest rate on floating portion of borrowings.

	March 31, 2023 (Rs.)	March 31, 2022 (Rs.)
Variable rate borrowings		
Interest rate increase by 0.5%	-	-
Interest rate decrease by 0.5%	-	-

26.2.B Credit Risk :

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations towards the Company and arises principally from the Company's receivables from customers and liquid investments with banking institutions / mutual funds. The maximum amount of the credit exposure is equal to the carrying amounts of these receivables.

The Company has developed guidelines for the management of credit risk from trade receivables. The Company's primary customer, is its ultimate holding company with good credit rating . Other customers are subjected to credit assessments as a precautionary measure, and the adherence of all customers to payment due dates is monitored on an on-going basis, thereby practically eliminating the risk of default.

Investment Allowance	165.27	158.35
Add: Provided During the year	5.41	6.92
Closing	170.68	165.27

26.2.C Liquidity risk:

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities and maintaining availability of standby funding through an adequate line up of committed credit facilities.

The Company manages liquidity risk by maintaining availability of funding through an adequate amount of committed credit facilities to meet the obligations when due. Management monitors rolling forecasts of liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, liquidity management also involves projecting cash flows considering level of liquid assets necessary to meet obligations by matching the maturity profiles of financial assets & liabilities and monitoring balance sheet liquidity ratios.

(a) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

INDEPENDENT AUDITOR'S REPORT

To the Members of ARIHANT CLASSIC FINANCE LIMITED

*414, Nalanda Enclave, Opp. Sudama Resorts
Pritam Nagar, Ellisbridge, Ahmedabad, Gujarat-380006*

Opinion

We have audited the Consolidated Ind AS financial statements of **ARIHANT CLASSIC FINANCE LIMITED ("the Company")**, for the quarter and year ended March 31, 2023, which comprise the balance sheet and the statement of Profit and Loss, including statement of changes in equity and statement of cash flows for the quarter & year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred as the "financial statements") being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its Profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the *Board's Report including Annexure to the Board's Report* but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information: we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Consolidated Ind AS Financial Statements

These quarterly financial results as well as the year to date Consolidated Financial Results have been prepared on the basis of the audited consolidated financial statements. The quarterly financial results are derived figures between the audited figures in respect of the year ended March 31, 2023, and the published year-to-date figures up to December 31, 2022, being the date of the end of the fourth quarter of the current financial year, which were subject to limited review.

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going

concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our

auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements for the financial year ended 31 March, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure 1' a statement on the matters specified in paragraphs 3 and 4 of the order.
2. As required by section 143 (3) of the Act, we report that:

Annexure 2 to the Independent Auditor's Report

Annexure 2 referred to in paragraph 2(f) under the heading 'Report on the other legal and regulatory requirements' of our report of even date

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ARIHANT CLASSIC FINANCE LIMITED ("the Company") as at March 31, 2023, in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the

auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting with reference to these Consolidated Ind AS financial statements.

Meaning of internal financial controls over financial reporting with reference to these Ind AS Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these Consolidated Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Consolidated Ind AS financial statements, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

26.1.a Fair value hierarchy

The fair value of financial instruments as referred to in note above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements]. The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

26.1.b Financial assets and liabilities measured at fair value - recurring fair value measurements

Financial assets at fair value through profit or loss	As at	Level 1	Level 2	Level 3	Total
Current Investment in Mutual Funds	March 31, 2023	-	-	-	-
Current Investment in Mutual Funds	March 31, 2022	-	-	-	-

26.1.c Valuation technique used to determine fair value

The fair value of investments in mutual fund units is based on the net asset value (NAV) as stated by the issuers of these mutual fund units in the published statements as at the Balance

Note: There were no specific financial instruments which were fair valued using level 3 indicators hence no unobservable inputs.

Note: Management considers that the carrying amounts of financial assets and financial liabilities measured at amortised cost approximate their fair values.

26.2 Financial risk management

The Company, is exposed to various market risks, credit risk and liquidity risk. The laid down processes, periodic communication, control framework and management process consisting of planning, controlling and monitoring collectively form the risk management system used to define, record and minimise operating, financial and strategic risks. Below notes explain the sources of risk in which the company is exposed to and how it manages the risk.

26.2.A Market risk:

a. Price risk:

The Company is using aluminium and ferrous items for production of various products. Fluctuation in commodity prices in global market affects directly and indirectly the price of raw material and components used by the Company in manufacturing its various product segments. Further, Pricing pressure from its major Customer to give price cuts and the inability to pass on the increased cost of inputs to the customers may also affect the profitability of the company. The Price risk arises due to fluctuation in prices of these commodities.

The Company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices. The Company's commodity risk is managed centrally through well-established trading operations and control processes. Further, the Company is having arrangement with major customer for actualization of raw material price variations periodically.

b. Foreign currency risk:

Foreign currency risk arise from monetary receivables and obligations expressed in a currency other than functional currency of the Company. Primarily the Company is catering to customers in local currency.

The derivative instruments and unhedged foreign currency exposure is as follows:

(i) Derivatives outstanding as at the reporting date

Particulars / Purpose	March 31, 2023 (Rs.)	March 31, 2022 (Rs.)
Forward Contract (Buy)	-	-

(ii) Particulars of unhedged foreign exposure as at the reporting date

The Company does not have unhedged foreign currency at the end of reporting period.

c. Interest rate risk:

Interest rate is the risk that fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligation at floating interest rates.

The exposure of the Company's borrowing at variable rate and fixed rate at the end of reporting period are as follows:

Particulars	March 31, 2023 (Rs.)	March 31, 2022 (Rs.)
Variable rate borrowings		
Fixed rate borrowings	2,844.56	1,971.12
Total borrowings		

Profit / loss is sensitive to higher / lower interest expense from borrowings as a results of changes in interest rates. Holding all other variable constant, the following table demonstrates the sensitivity to a reasonably possible change in interest rate on floating portion of borrowings.

	March 31, 2023 (Rs.)	March 31, 2022 (Rs.)
Variable rate borrowings		
Interest rate increase by 0.5%	-	-
Interest rate decrease by 0.5%	-	-

26.2.B Credit Risk :

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations towards the Company and arises principally from the Company's receivables from customers and liquid investments with banking institutions / mutual funds. The maximum amount of the credit exposure is equal to the carrying amounts of these receivables.

The Company has developed guidelines for the management of credit risk from trade receivables. The Company's primary customer, is its ultimate holding company with good credit rating . Other customers are subjected to credit assessments as a precautionary measure, and the adherence of all customers to payment due dates is monitored on an on-going basis, thereby practically eliminating the risk of default.

Investment Allowance	165.27	158.35
Add: Provided During the year	5.41	6.92
Closing	170.68	165.27

26.2.C Liquidity risk:

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities and maintaining availability of standby funding through an adequate line up of committed credit facilities.

The Company manages liquidity risk by maintaining availability of funding through an adequate amount of committed credit facilities to meet the obligations when due. Management monitors rolling forecasts of liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, liquidity management also involves projecting cash flows considering level of liquid assets necessary to meet obligations by matching the maturity profiles of financial assets & liabilities and monitoring balance sheet liquidity ratios.

(a) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

26.3 Capital management

The capital structure of the Company consists of debt, cash and cash equivalents and equity attributable to equity shareholders of the Company which comprises issued share capital (including premium) and accumulated reserves disclosed in the Statement of Changes in Equity. The Company's capital management objective is to achieve an optimal weighted average cost of capital while continuing to safeguard the Company's ability to meet its liquidity requirements (including its commitments in respect of capital expenditure) and repay loans as they fall due. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is debt divided by total equity. The Company's policy is to keep an optimum gearing ratio. The Company includes within debt, interest bearing loans and borrowings.
